Health and Safety Advisor

Start: Immediate

Location: Hull

Salary: Negotiable, Depending upon experience

Company profile:

GGP Consult is a world-class consulting engineering, architectural design, and project management company based in the Humberside and Yorkshire regions. For over 30 years, GGP Consult has successfully delivered projects both in the UK and across more than 50 countries worldwide. Our diverse team is committed to producing quality work and providing innovative solutions in civil and structural engineering and architectural design.

With a rapidly expanding workload, we are looking for a talented and motivated Health and Safety Advisor to join our dynamic team.

Job Summary

As a H&S Advisor you will be responsible for implementing GGP Consult's CDM Management System together with Health and safety advice on a variety of projects including industrial, food related, equipment installations, energy and rail.

You will support clients and project management teams in delivering high-quality work, ensuring that all projects are executed to the highest standards. The ideal candidate will have a passion for organisation and quality.

In addition, you will assist with the development of the Health and Safety Team utilizing your strengths and experience. Projects will be based throughout the UK and travelling will be on a regular basis.

This is an excellent opportunity for someone to develop their career and for someone who enjoys being in a working environment that encourages contribution and creativity.

Key responsibilities:

- Implementation of the CDM Regulations for both Principal Designer and Principal Contractor
- PUWER Assessments
- Safety Management Systems Reviews
- Site Audits with the use of aerial drones if necessary
- Safety climate surveys

- Health and Safety Permitting Systems Appraisal
- Lock out Tag out and isolation system reviews.
- Behaviour-based Safety Training
- Temporary works Audits

Requirements:

- Member of IOSH.
- CDM Practitioner.
- NEBOSH Level 6 National Diploma for Occupational Health and Safety Management Professionals
- NEBOSH Construction Safety
- Computer literate with knowledge of WORD, EXCEL, POWERPOINT
- Excellent presentation and communication skills as oversees designers often form part of the project teams.
- UK driver's license.

Job Type: Full-Time

Position: Permanent

GGP Staff Benefits

Annual Leave

Staff receive 20 days annual leave per annum plus bank holidays rising by 1 per year up to 26 days per annum. Staff will be required to take 3 days annual leave between Christmas and New Year.

Employee Assistance Service

GGP understand the importance of their employee's wellbeing and are committed to provide any advice and help when needed. We have on site Mental Health First aiders and Responders who are always happy to just listen and provide any advice. GGP also offers for all staff having access to BUPA Healthy Minds which provides all kinds of support on all subjects such as legal, emotional, financial, health, work-related issues and many more.

Bike to Work Scheme

GGP are registered with the bike2work scheme which you can join to make considerable savings on the cost of a new bike and/or equipment. As part of the Governments Transport plan, we offer for our staff to save up to 42% on the cost of bicycles and equipment.

Healthy you

We have an incentive scheme where employees attending a gym at least once a week will be reimbursed £5 per week (max £20 per month) on proof of attendance.

Pension schemes

GGP is apart of the auto-enrolment pension scheme where employees contribute 5% and we contribute 3% (for eligible staff).

Death in Service

GGP operates a Death in Service Insurance policy whereupon should any permanent employee pass away whilst in employment with the company, a sum equal to 4 x annual salary shall be paid to the person(s) nominated by the employee.
